Subject: AMTA-NV Chapter request - NAC workshop 2/2/11

Good Morning, Lisa:

Please consider this correspondence to be representative of the American Massage Therapy Association, Nevada Chapter Board of Directors. I hope we have contacted you in such a timely manner as this email may have impact on 2/2/11's Workshop regarding the proposed NACs.

Regarding Item D of the proposed NAC changes, as of Feb 1, 2011 – an American Massage Therapy Association, Nevada Chapter, Opinion:

Whereas, the American Massage Therapy Association, Nevada Chapter represents professional and NV-licensed massage therapists throughout the state, we appreciate that this Rule development will not change current Clark County Business License practices (of requiring a NVMT as a manager on duty during massage hours), and we hereby respectfully request you to address and consider the AMTA Nevada Chapter Board's expressed concerns:

The AMTA Chapter resolves that

The official AMTA, Nevada Chapter, Opinion regarding the workshopped and proposed NAC changes is as follows:
Under NAC Chapter 634 Section 2, we have a clear understanding and no concerns;
Under NAC Chapter 634 Section 3 we have the following concerns under the sub-section 2 & 3, specifically, letter (b)

2. The managing therapist is responsible:
(b) For the acts of all massage therapists at the massage establishment.

Please clarify and write within the Rule language the responsibilities of the Managing Therapist, including what penalties will apply if the Managing Therapist is accountable to the actions of others, who ultimately is proven to not be in compliance with the section of the Rule.

Thank you for your consideration of this request on behalf of the American Massage Therapy Association, Nevada Chapter Board of Directors.

Be Well,

David J Otto, LMT NCTMB
